Hello @firstname@,

I do hope you and your family and friends are all well and are coping with whatever circumstances the rapidly evolving global situation with regard to COVID-19 is presenting for you.

We are of course aware that this is a time of considerable uncertainty both for our domestic students and for those from outside the UK. As such we have produced an additional list of frequently asked questions for our International and European students available here. No doubt you will have further questions that may not be answered here so do please continue to contact us directly so we can help you with these.

We are sharing this additional information with a wide group of students to ensure it reaches those that require it. Depending upon your individual circumstances such as your main place of domicile or your current visa status, this information may or may not be relevant to you.

Additionally, we are aware that, whilst many students will choose to remain in the UK, there will also be students taking the decision, or being asked by their government, to return to their home country. Whether you remain here in the UK or return to a home overseas we will continue to support the needs of all of you. To be able to provide the necessary support, it is important for us to be able to maintain records of where our students are, as such if you have left the UK or plan to leave the UK imminently, could you please complete this online form.
No doubt the coming months will present further challenges for us all in whichever country we call home. Please be assured that whether you are here in the UK or overseas, we will work with you throughout these challenging times to support you in every way possible to be able to continue your studies and progress either into your next year of study or towards your graduation.

**Our International Student Support team can be contacted via:**

Email: internationaladvice@brighton.ac.uk
Telephone: 01273 644757

Please also ensure that you look out for emails providing you with updates and continue to check studentcentral and the general FAQs on our website.

Your sincerely,

**Ruth Whittaker**
Pro-Vice-Chancellor (Education and Student Experience)
